Q: Which of the following statements regarding America's relationship with China comes closest to your opinion:

America exports over \$120 billion of our goods and products to China and it is in America's best interest to maintain a close economic relationship with China, OR

With an expanding navy, cyber-attacks on American companies and government agencies, and continued aggression toward enemies, China will be America's greatest national security threat over the next generation.

Q: Which of the following statements regarding the federal budget comes closest to your opinion:

With the national debt over \$18 trillion, spending cuts must be made within every department and agency of the federal government, including the military, OR

We must reduce the national debt, but not at the expense of America's military readiness and ability to aggressively confront global threats and protect Americans at home.
